**ORDER RE: CASE SCHEDULE**

Re: Dkt. No. 63

12  
13 On December 15, 2023 the Court received a joint mediation statement from the parties with  
14 a request regarding the trial schedule within. Dkt. No. 63. The parties indicate they have agreed to  
15 a mediator who is not available until after May 2024 and request an extension of the mediation  
16 deadline through July 2024. They also request an extension of the trial date to March 3, 2025. The  
17 Court extends the mediation deadline through June 2024. The parties may mediate before the agreed  
18 upon mediator or select someone else. The Court finds no need to extend the trial date, which  
19 remains set for November 4, 2024.
